

## Google Apps for Education Permission Form

I give permission for my child to be assigned a CCS Google Apps for Education account. This means my child will receive a CCS email account for internal school use only, and have access to Google Docs, Sheets, Calendar, and other pertinent Apps. My child and I agree to abide by the school's ICT Acceptable Use Policy (Parent-Student Handbook). I agree to enforce acceptable use when my child is off school property and expect school staff to enforce acceptable use when my student is at school.

I do not give permission for my student to use Google Apps for Education. I understand that my student may use non-internet based open Office software for word processing, spreadsheets and presentations and that online collaboration is not possible. Document collaboration would be limited to paper/pencil and/or file sharing via flash drive.
